

# LOOKING FOR AN XTRA EDGE?

## Upgrade your energy with Xtra Sharp!

**Xtra Sharp** is a unique and natural blend of herbs and minerals designed to enhance your energy and vitality levels. **Our formula contains tannins, saponins, and proteins that work together to slow down the absorption of caffeine from guarana, providing a sustained and stable source of energy for up to 8 hours.**

**Guarana** | Natural source of caffeine that is released much slower than other types of caffeine. The peak effect is less harsh and lasts significantly longer.
